3. Discussion on progress made by CWDB upto Feb.,2013 during current Financial Year 2012-13.

The Ministry of Textiles has allocated total Rs. 15.00 Crore (including 1.5 Crs for NE region) for implementation of different schemes of Wool Sector through the CWDB during current financial year 2012-13. The Board has organized only two Woollen Expos (exhibition-cum-sale of woollen products) in NER with financial assistance of Rs. 28 lakh in favour of Indian Chamber of Commerce, North East Regional, Guwahati. Therefore, it appear that there may be saving of Rs. 1.22 Crore under NER allocation during 2012-13.

Against remaining Plan allocation of Rs. 13.50 Crore upto 10th March,2013, the Board has already utilized Rs. 11.50 Crore. There is committed liability of Rs. 70 lakhs for which Sanction orders have already been issued and for rest, amount will be released against new projects to be sanctioned by EC meeting.

Achievements made by Board under implementation of Annual Plan 2012-13 (R.E.) upto date is as under :

VI. To take decision on CFCs sanctioned in last Plan but now the Implementing Agencies do not want to run it due to its un-viability.

During 11th Plan, the Board established 14 Common Facility Centres (CFCs) under Quality Processing of Wool scheme for different pre-loom processing activities like : scouring, drying, carding, spinning of wool in Rajasthan, (Bikaner, Kekri & Barmer) H.P. (Rampur, Kullu & Sundar Nagar), Gujarat (Morbi), Uttarakhand (Deharadun) and Punjab (Ludhiana & Pathankot) States by providing financial grant upto Rs. 50 lakhs per CFC.

After successful installation and running of these CFCs since last 3-4 years now 2 agencies has expressed difficulties in running of these CFCs as under:

- (I) M/s. Monika Handloom Workshop Coop. Industrial Society, Ludhiana

In financial year 2007-08, the Board had sanctioned one CFC for setting up wool combing & spinning unit for processing of scoured wool into wool tops and spinning of yarn at Ludhiana. The Board had provided financial grant of Rs. 45.57 lakh in favour of M/s. Monika Handloom Workshop Coop. Industrial

Society, Ludhiana to established the CFC at Ludhiana. At present this CFC is in idle condition.

(II) M/s. Bajaj Woollen Mills, Kekri Distt.- Ajmer (Raj.)

The Board has sanctioned CFC under Quality Processing of Wool scheme in favour of M/s. Bajaj Woollen Mills, Kekri Distt.- Ajmer (Raj.) in FY 2008-09 and released Rs. 47.17 lakh to set wool processing facilities for Scouring, Carding Spinning at Kekri (Distt Ajmer).

The Board has received a letter from M/s. Monika Handloom Workshop Coop. Industrial Society, Ludhian and stated that they are not able to run the CFC further due to several reasons like: financial problems, recession in wool sector, his old age and requested to provide the same machinery under CFC to some other agency who may be interested to run this CFC.

M/s. Bajaj Woollen Mills informed that woollen carpet yarn spinning unit are in their worst position and this industry struggling for the survival, but getting failed and they have no other option except to close the Unit. They informed that more than 75% unit had closed down and balance of 50% are near to close and 50% are running in very difficult position due to following reasons

- Demand of woollen carpet yarn declined more than 80%
- Carpet are being manufactured from other fibre
- International world market down tendency
- Decline production of carpets.

M/s. Bajaj Woollen Mills also informed that in these circumstances they feel troublesome to get the optimum production and even not achieve minimum break-even capacity. Factual market position indicates that they could not able to run the CFC and sought further instruction and guidance form the CWDB.

As above implementing agencies are not interested to further run the Common Facility Centres under Quality Processing of Wool scheme of CWDB, the matter was placed before 20th Project Committee meeting to suggest for utilization of these CFCs.

During discussion, it was explained that under the Memorandum of Understanding, (point no. 22) “ The CWDB will be free to remove, dispose off the Machineries / equipments of the centre into the agreement with any other party to ensure utilization of these equipments.”

Matter was discussed by the Project Committee and the Committee recommended that there is general slowdown in the Woollen Industry and there are chances that there is no demand for these facilities at installed locations. Keeping the machine idle would lead to wastage of money sanctioned, so Project Committee recommended to invite offer from interested parties to run these machineries, through news paper advertisement and if suitable offers are received, these may be transferred to that agency after approval of the Executive Committee.

A copy of minutes of 20th Project Committee meeting is enclosed herewith as **Annexure- V** (Page No. 35 to 47) for perusal.

5. Discussion and approval for procurement of necessary equipments/looms etc. for establishment of Carpet Weaving Training Centre at Jaipur.

The Governing Body of CWDB in its last meeting approved the proposal for setting up a 'Carpet Weaving Training Centre' at Jaipur during next financial year 2013-14 under HRD & Promotional Activity of Board. Looking at requirement of skilled labourers for carpet manufacturing units at nearby Jaipur industrial areas, necessary provision has already been made for establishment of above Centre in 12th Plan SFC Memo for Wool Sector.

Carpet manufactured in Jaipur are well known internationally for their ethnic designs and Jaipur has the highest no. of foreign tourist inflow and so there is a potential for its further growth in carpet manufacturing. Starting a training Centre at Jaipur will be very helpful for the woollen industry in providing skilled labourers and will be a source of livelihood to trained personnel to meet shortage of skilled labours for carpet manufacturing.

Approx. expenditure for starting above Carpet Weaving Training Centre will be Rs. 21.16 lakhs in FY 2013-14 and further requirement will be Rs. 13.67 lakh annually in remaining period of 12th Plan period. Necessary Looms and other equipments will be procured in association with Indian Institute of Carpet Technology (IICT) Bhadohi and Carpet Industry of Jaipur. Detail of head wise expenditure is as under :

- **Duration of training** : 4 months per batch and 3 batch in a year
- **Number of trainee** :15 trainees per batch & total 45 trainees annually

SN	Particular/ Head	Amount in Rs. (for 1 year)
A	One time expenditure	
1	Cost of loom with necessary equipment @ Rs. 50,000/- per loom for 10 looms	5,00,000
2	Other Misc. establishment expenditure for starting the Centre for procurement of furniture/fixtures, computers, printers, fax-cum-photocopier other equipments etc.	2,50,000
B	Annual Expenditure	
1	Cost of Raw material for training @ Rs. 15,000 per month	1,80,000
2	Incentive/stipend for trainees per day @ Rs. 100 per day for 15 trainees per day for 26 days\ month) (315 days X 15 trainees X Rs. 100)	4,72,500
3	Master trainer @ Rs.15,000 per month	1,80,000
4	Office Assistant @ Rs. 8,000/- month	96,000
5	Office Attendant/ Class-4 @ 6,000/- month	78,000
6	Miscellaneous exp. (Rent, Electricity, water, Stationery, Telephone & Postage etc) @ Rs. 30,000 per month	3,60,000
	TOTAL	21,16,500

Note : above cost are tentative and may vary at the time of tendering on actual rates received or as per the requirement of the Carpet Industry.

As above the matter is placed before the Executive Committee for setting up of the ‘Carpet Weaving Training Centre’ at Jaipur during next financial year 2013-14 under HRD & Promotional Activity with approx. cost of Rs. 21.16 lakh for procurement of equipments/looms and other establishment expenses.

6. Post facto approval for Woollen Expos organized at Guwahati, Jaipur & Jodhpur and printing of office Diary and Calendar during FY 2012-13.

(I). Woollen Expos :

As per decision of last EC meeting, the Board organized 14 Woollen Expos at different important locations of country during current FY

2012-13. Meanwhile, Board also received some more proposals to organize Woollen Expos during 2012-13. The Board considered some suitable proposals and sanctioned four additional Expos with prior permission of the Chairman or Vice Chairperson, CWDB with condition to obtain post facto approval during next meeting of the EC as under :

SN	Location of Expo	Name of coordinating agency	Duration of Expo	Total fund sanctioned
1	Guwahati	ICC, Guwahati	5 to 14 Feb.,2013	Rs. 14.00 lakh
2	Jaipur	AK Infra. & Events Company, Mumbai	22 to 30 Dec., 2012	Rs. 2.60 lakh
3	Jodhpur	Marudhara Industries Association, Jodhpur	2 to 11 Nov.,2012	Rs. 4.00 lakh
4	Jodhpur	Swedeshi Mela Ayojan Samiti, Jodhpur	23 to 30 Dec., 2012	Rs. 2.76 lakh
TOTAL				Rs. 23.36 lakh

(II). Printing of office Diary & Calendar for the year 2013

Under 'HRD & Promotional Activity' component of IWIDP (Plan programme) there is a sub-head named publicity, to spread awareness about different schemes and programmes of the Board. In previous years, the Board had got prepared different display banners of schemes, Pamphlets, Diaries & Calendars to give wide publicity to Board'S scheme. In continuation to this, the Board also published Diary & Calendar for the year 2013. This printing work was executed through normal Quotation/tender process as prescribed in GR/FR with total expenditure of Rs. 1.66 Lakhs .

As above, the matter is placed before the Executive Committee for post-facto approval of Rs. 23.36 lakh for organizing 4 additional Woollen Expos and Rs. 1.66 lakh for printing of office diary & calendar during Annual Plan 2012-13.

Regarding progress Report on utilization of funds released to LAHDC, Leh under Revolving Fund scheme, Chairperson and other members were of the opinion that all the agencies to whom funds have been sanctioned should be asked to submit progress report including profit/ loss in the activity and whether the profit earned

in the activity is again invested/used in wool procurement activity or not as part of revolving fund. Report to be submitted in 15 days.

- III. Regarding report of Committee formed for preparation of proforma for inviting applications from NGOs along with guidelines to decide grading cards, Chairperson was of the opinion that since at present projects are sanctioned to Govt. Agencies only, so it shall be considered later.
- IV. Regarding survey of Woollen Industry under HRD & Promotional Activities, Director/ WRA stated that a survey of whole Textiles Industry is being conducted by Office of Textiles Commissioner and there is no need of separate Survey. Other members were also of the same opinion and it was decided to drop the proposal of survey of Woollen Industry by CWDB separately.
- V. Regarding provision for creation of Wool/Woollen Yarn Bank in North Eastern region, ED/ CWDB stated that a workshop was conducted in Shillong to create awareness among Govt. Deptt. of North Eastern Region about CWDB. A proposal for creation of Wool Bank in NE region have been submitted by Handloom and Handicraft Board of Govt. of Arunachal Pradesh which is under scrutiny. No other proposal from any other agency have been received.
- VI. Regarding consolidated progress report of all sanctioned and running CFCs, Chairman directed that these CFC should be visited by CWDB staff frequently to know the benefit of these CFC to common man. It was also directed that time to time advertisement should be published in newspaper regarding facilities being provided by these CFC, so that general public/ Small Wool growers becomes aware about these centres and can take advantage of facilities created. ED/ CWDB was asked to submit regular report regarding CFC's use by the general public/ Small Wool Growers.

VI. Discussion on up-gradation & accreditation of Wool Testing Centre, Bikaner (CWDB)

Director/ WRA stated that many of the equipments suggested by IICT/ Bhadohi are really not required by Bikaner woolen industry as Bikaner woolen industry is mainly the spinning of Carpet Grade wool and a first step in this direction would be to know the exact testing requirement of the woolen Industry there and on the basis of that requirement, WRA will suggest the requirements of Equipments for which a Sr. Scientist will visit the Wool Testing Laboratory at Bikaner and after that CWDB shall approach NABL for its accreditation.

Chairperson directed ED/ CWDB to process for laboratory accreditation accordingly within 15 days as already lot of time has elapsed since her visit to Bikaner.

VII Discussion on opening a Handloom Weaving & Designing Training Centre at Leh.

Executive Committee did not approve the proposal as there is already a Shawl Weaving Training Centre at Leh being run by DC/ Handloom office.

VIII. Setting up a Regional office of CWDB at Ludhiana

The Executive Director, CWDB informed that during recent meeting of the Governing Body of CWDB it was decided to set up Regional office-cum-Wool Testing Laboratory of the Board at Ludhiana. He also explained that this demand was also raised by Woollen Industry Association of Ludhiana during recent visit of Chairperson/ CWDB to Ludhiana but because already there is a NABL certified testing Laboratory of Textile

Committee there, so only Regional Office can be started for which monthly expenditure will be nearly Rs. 70,000/- .

Executive Director/WOOLTEXPRO stated that Amritsar is equally important place and CWDB shall start its office at Amritsar also. Director/ WRA stated that WRA can start its offices at these places if expenditure on salary of the staff posted is paid by CWDB. ED/ CWDB stated that without getting sanctioned new posts, it would be very difficult to run these offices and a proposal for creation of 5 new posts (2 Veterinary Doctors, 2 Textiles Engineers and a Finance and Accounts Officer) have already been sent to Ministry but these could not be sanctioned till date. After detailed discussion it was decided that, till new posts are created the proposal to start new Centres shall be dropped.

IX. Discussion and approval for organizing Woollen Expos at different places during FY 2012-13 : (Exhibition-cum-sale of woollen products) :

ED/ CWDB explained the whole Woollen expo scheme under HRD & Promotional scheme in detail and also stated that almost all Implementing Agencies are same, which are organizing these exhibitions in previous years and terms and conditions are also same on which these were organized in previous years. After detailed discussion Executive Committee approved following Woollen expo on same terms and conditions on which these were sanctioned last year.

Annexure- II

Status note on implementation of ‘Revolving Fund for marketing of raw wool’

The MOT has approved through EFC the ‘Sheep & Wool Improvement Scheme’ (SWIS) under Integrated Wool Improvement & Development Programme (IWIDP) for the 11th Five Year Plan with the components like Health Care, Breed Improvement, Strengthening of Sheep Breeding Farm, Support for Multipurpose Extension Centre, product development and grading & marketing assistance etc.

Afterwards this scheme has been modified by adding a new component of revolving fund for Marketing of Raw Wool’ with aim to provide availability of direct marketing facility ,to strengthen marketing support and to minimize exploitation role of the middlemen in sheep and wool sector.

Initially, the Board strengthened the existing State Wool Marketing Boards/Organizations to revitalize these organizations and optimum utilization of their infrastructure available with them for the purpose and to ensure remunerative returns to the wool growers through revolving fund component. Revolving fund will lead in increasing the procurement of wool by Government organization to a reasonable capacity and will help in stabilizing the price of wool in the market.

The Board had released ‘Revolving Fund’ to following State Wool Development Boards/Organizations for marketing of raw wool during financial yea 2010-11 :

(Rs. In Lakhs)

S N	Name of Implementing Agency	Grant Release

They informed that the scheme is continued during 2012-13 and funds will be utilized as a rolling capital for procurement of wool from sheep breeders and sheep breeder's cooperative societies.

Comments of CWDB under progress of Revolving Fund :

The revolving fund component has helped to different state Govt. agencies to procure more wool on a rate fixed by respective State and ensure the elimination of middle man up to a certain extent. Component has also helped to provide better return from wool to wool growers. The states are rotating this fund in purchase of new clip wool after sale of last purchased wool but clearly not mentioned about the profit or loss in marketing of wool.

3. Discussion on progress made by CWDB upto Feb.,2013 during current Financial Year 2012-13.

For current financial year 2012-13, the CWDB has made provision to continue its ongoing 11th Plan schemes in first year of 12th Plan i.e. 2012-13 on same approved physical and financial parameters with total financial outlay of Rs. 13.50 Crore as per Revised Estimates. Against this outlay, the MOT has released Rs. 11.50 Crore and the Board has also utilized Rs. 11.50 Crore upto 10th March,2013 under its different schemes for development of wool sector. On the Non-Plan side, the Board has utilized Rs. 1.49 Crore out of total outlay of Rs. 1.50 Crore for establishment and other administrative expenditure upto 10-03-2013 during FY 2012-13.

The Board has taken up following schemes during Annual Plan 2012-13 and details of these schemes alongwith physical and financial targets (as per R.E.) and achievement made by the Board upto 10-03-2013, is as under

1. Integrated Wool Improvement and Development Programme (IWIDP)
 - A) Sheep and Wool Improvement Scheme (SWIS)
 - B) Pashmina Wool Development Scheme (PWDS)
 - C) Angora Wool Development Scheme (AWDS)
 - D) Human Resource Development & Promotional activities
2. CFC under Quality Processing of Wool scheme:
(Setting up of Common Facility Centres for different wool processing activities)
3. Social Security Scheme for sheep breeders :
 - A) Sheep Breeders Insurance Scheme
 - B) Sheep Insurance Scheme

1. Integrated Wool Improvement and Development Programme(IWIDP)

Under IWIDP, the Board is implementing different schemes for improving quantity and quality of wool produced from sheep, Angora rabbit, Pashmina goat and providing training to Sheep Breeders, weavers, resource persons etc. along with promotional and marketing support activities.

A. Sheep & Wool Improvement Scheme: (SWIS)

The objective of the 'Sheep and Wool Improvement Scheme' (SWIS) is to improve quality and quantity of indigenous sheep wool in the country. The Board is implementing various projects under this scheme in all major wool producing States having components for (i) 'Health Care' for treatment, vaccination and medication to sheep (ii) 'Breed Improvement' for distribution of stud rams and genetic improvement of sheep (iii) Strengthening/ Establishment of Sheep Breeding Farm for raising of male lambs to develop as good quality breedable Rams and to fulfill requirement of stud Rams, (iv) provide 'Feed Supplement' to sheep (weak, pregnant/ breedable ewes) (v) 'Creation of Revolving Fund' for marketing of raw wool and to revitalize the state wool marketing federations/corporations and

optimum utilization of infrastructure available with them for this purpose(vi) State Specific projects and reimbursement of overhead expenses to implementing agencies.

During Annual Plan 2012-13, the Board has made provision to cover 11 lakh sheep under the scheme with total financial allocation of Rs. 8.46 Crore. The Board has utilized Rs. 7.23 Crore till 10-03-2013 and covered 10.15 lakh new sheep and 3.50 lakh sheep of ongoing projects, established 7 Ram Raising Farms for raising of male lambs, 590 Sheep Pens, Feed Supplement to 75,000 eligible sheep from Leh and Kargil districts of Ladakh region, assistance for strengthening of 3 Sheep Breeding Farms, established one Multipurpose Extension Centre and one Multiple Facility Centre. The Board is presently implementing various projects under this scheme in all major wool producing States like: Rajasthan, Uttrakhand, Maharashtra, Jammu & Kashmir & its Ladakh region, Himachal Pradesh, Andhra Pradesh and Karnataka.

B. Pashmina Wool Development Scheme:

India produces the finest Pashmina in the world, which is produced in Ladakh region of J. & K. The Board has taken up this activity to increase Pashmina Production, to increase income from Pashmina wool to the Pashmina rearers and to sustain their interest in this activity as a reliable means of livelihood.

During the 12th Plan period, it is proposed to implement this programme in Ladakh region of J. & K. State with approach of Special Package by incorporating additional activities covering on farm development and activities, post-farm activities and value addition with all the necessary components to the extent feasible. This scheme will be implemented in Ladakh region by strengthening existing State Government Pashmina Farms for supply of Pashmina goats in adequate numbers and for fodder development. This scheme has following components :

- Buck Exchange Programme in traditional areas
- Distribution of high quality Pashmina bucks in non-traditional areas to enhance Pashmina production
- Assistance for foundation stock in non-traditional areas for rearing
- Strengthening of existing Fodder Banks and Breeding Farms
- Health Coverage and Pashmina goat pens
- Feed Supplement to eligible pashmina goat
- Training programmes for breeders, health camps
- Construction of Multipurpose Extension Centres
- Establishment of Pasture Farms on migratory routes
- Financial assistance for Pashmina goats pens, folding/ portable Tents, Snow-boots (Gumboots), Torch, Goggles
- Upgradation of existing Pashmina Dehairing Plant at Leh
- Undertaking R&D and Consultancy projects and reimbursement of overhead expenses to implementing agency.

During 2012-13, the Board is providing benefits to 800 Pashmina families in Leh district of Ladakh region of J. & K. State with financial allocation of Rs. 1.29 Crore. The Board has released Rs. 1.29 Crore to Ladakh Autonomous Hill Development Council, Leh

to implement the programme and to benefit 40,000 pashmina goats under the component of Feed Supplement.

C. Angora Wool Development Scheme

The Board is implementing Angora Wool Development scheme in hilly areas of country to support Angora rearing activity among farmers, facilitating distribution of Angora rabbit among rearers as foundation stock along with necessary training, feed and nutrition support, supply of cages & shed, medicines and provision of spinning machines. For 12th Plan, it is proposed to enhance and strengthen this activity with special emphasis on development of new and diversified products made from Angora fibre and to increase its demand and marketing mechanism for procurement of Angora Wool to stabilize its prices with integrated approach. The scheme has two components like : (i) Establishment of Mini Angora rabbit Farm (ii) Integrated Angora Rabbit Germplasm-cum-Processing and Training Centre.

During Annual Plan 2012-13, the Board has made provision to sanction two projects by covering 400 angora rabbits and to benefit 20 Angora Rabbit rearing families with financial outlay of Rs.0.35 Crore. The Board has received fresh project proposals under this scheme and which are to be approved shortly by the Executive Committee. Upto 10-03-2013, the Board has utilized Rs. 0.20 Crore under ongoing project. The Board is presently implementing various projects under this scheme in States of Utrakhand, Himachal Pradesh and a hill station of Rajasthan (Mount Abu-Sirohi).

D. Human Resource Development & Promotional activities:

The Board is implementing different activities under this programme to provide skilled manpower to industry by starting skill development training at major woollen industry Centre. Under this programme, some areas has identified for undertaking various training programmes in collaboration with various reputed organizations/ institutions/ Departments on: Farm management for sheep; Angora & Pashmina rearing, sheep shearing by machines, quality control/ assurance, wool grading & marketing, processing of wool and woollens products, latest weaving and designing techniques to weavers etc. The following activities are part of HRD & Promotional activities:

- Marketing and Promotional activities (organizing Woollen Expos, fairs, seminar, workshops etc.)
- Market Intelligence Network and Publicity campaign, data collection, publicity
- Publication of quarterly news magazine 'Wool Ways' & fortnightly raw wool price bulletin
- R&D, Survey/Study and Consultancy
- Training at Weaving and Designing Training Centre, Kullu
- Operating Wool Testing Centres at Bikaner & Kullu
- Monitoring and Evaluation of Schemes in field
- Training to wool growers/ breeders/ weavers at reputed institutions/universities
- International Co-operation/ IWTO Conferences / Buyers-Sellers meet and efforts for marketing promotion & Indo Australia Joint Working Group etc.

- Support to Wool Research Association, Thane to develop the institution as ‘Centre of Excellence for Wool’ to meet global standards and to make it an institution of international competence
- Strengthening of CWDB by hiring of subject experts and Establishment of new Skill Upgradation centre at wool potential areas like Jaipur (Raj.).

During the financial year 2012-13, the Board has made provision of Rs. 2.50 Crore for above activities. Till 10-03-2013, the Board utilized Rs. 1.88 Crore and provided training to 110 women at Weaving & Designing Training Centre in handloom weaving, running two Wool Testing Laboratories at Bikaner & Kullu for raw wool, organized 18 Woollen Expos (Exhibition-cum-sale of woollen products), organized one Workshop at Guwahati to introduce/explain about Board’s different schemes for North East region, providing training to 30 persons under Angora wool scheme in hilly areas of country, publishing quarterly newsmagazine and Raw Wool Price Bulletin, regularly.

2. Quality Processing of Wool and Woollen Scheme

During 11th Plan, the Board has introduced a new scheme i.e. “Quality Processing of Wool” (pre-loom and post-loom processing activities) for improving quality of raw wool, finishing of woollen products and value addition to wool and woollens products. This scheme attracts the spinners to modernize their obsolete and small yarn-manufacturing units. The CWDB provides grant under Non-Recurring Expenses for purchase of machineries & plants only required for setting up the Common Facility Centre (CFC). Setting up of Common Facility Centre for integrated wool processing facility for scouring, carbonizing, dyeing, carding & spinning etc. enables the availability of clean wool for manufacture of carpet and other woollen products. This scheme is being continued in 12th Plan with project mode of Rs. 50 lakhs or 50% of the total project cost or cost of machinery whichever is less and included some other facilities like availability of Sheep Shearing Machines to get better staple length of fibre from sheep and establishing/ strengthening of Wool Testing Laboratories to conduct testing at minimal cost for improving quality of products at major wool potential areas to help wool growers and wool industrialist under Common Facility Centres of this scheme.

A provision of Rs. 0.90 Crore has been made in 2012-13 to set up two new Common Facility Centres like wool scouring, carbonizing, dyeing and carding of wool etc. The scheme is being implemented in project mode with Rs. 50 lakh or 50% of the total project cost, whichever is less towards cost of machinery only. Upto 10-03-2013, the Board has utilized Rs. 0.90 Crore and sanctioned both new CFCs at Srinagar and Dehradun in favour of J. & K. State Sheep & Sheep Product Development Board, Srinagar and Uttarakhand Sheep & Wool Development Board, Dehradun, respectively.

3. Social Security Scheme for Sheep Breeders

Under Social Security Scheme, the CWDB is implementing following two plans to benefit sheep breeders by providing life insurance to them and their sheep flock:

A. Sheep Breeders Insurance scheme

In India, the sheep breeders are from below poverty line, illiterate and living in remote hilly and desert areas and most of these lead migratory life in search of suitable green pastures for their sheep flocks. During migration they are facing very adverse conditions as rains, cyclones, storms, snakebite attack of wild animal etc. Due to migration and illiteracy, they could not get proper medical facilities along with social and economic benefit such as insurance.

The basic objective of the Sheep Breeders Insurance Scheme is to provide enhanced life insurance cover to sheep breeders in the case of natural as well as accidental death and in case of partial and total disability.

B. Sheep Insurance scheme

The basic objective of the Sheep Insurance scheme is to provide insurance cover to Sheep in the case of accident including fire, lightning, storm, tempest, flood, inundation, earthquake, famine and diseases contracted or occurring during the period of the policy for project areas. The Sheep Insurance Plan is based on Livestock Insurance Scheme. Normal period of insurance is 12 months and maximum period shall be three years.

For 12th Plan, proposed the targets to cover total 67,500 sheep breeders and 3.75 sheep under the schemes of Sheep Breeders and Sheep Insurance Scheme, respectively from all wool producing States with total financial outlay of Rs. 2.00 Crore.

During the financial year 2012-13, the Board made provision to benefit 10,000 sheep breeders under Sheep Breeders Insurance scheme and 10,919 sheep breeders have already been insured by LIC upto February, 2013. The Oriental Insurance Co. Ltd. is not providing information about Sheep Insurance Scheme.

.....

ED/ CWDB explained that, During 11th Plan, the Board has established 14 CFCs for different pre-loom processing activities like : scouring, drying, carding, spinning of wool in Rajasthan, (Bikaner, Kekri & Barmer) H.P. (Rampur, Kullu & Sundar Nagar) , Gujarat (Morbi), Uttarakhand (Deharadun) and Punjab (Ludhiana & Pathankot) States by providing financial grant upto Rs. 50 lakhs per CFC.

After successful installation and running of these CFCs since last 3-4 years now 2 agencies has expressed difficulties in running of these CFCs.

ED/ CWDB also explained that Under the Memorandum of Understanding, (point no. 22) “ The CWDB will be free to remove, dispose off the Machineries / equipments of the centre or enter into the agreement with an y other party to ensure utilization of these equipments.”

All members of the Project committee were of the opinion that there is general slowdown in the Woollen Industry and there are chances that there is no demand for these facilities at installed locations. Keeping the machine idle would lead to wastage of money sanctioned, so project committee recommend to invite offer from interested parties through news paper advertisement and approval of the Executive Committee.
