7. DISCUSSION AND APPROVAL OF PROCUREMENT OF RAW WOOL IN RAJASTHAN IN ASSOCIATION WITH GUSHEEL, AHMEDABAD.

Rajasthan is biggest wool producing state in India but presently there is no agency engaged in wool procurement. In Uttarakhand Wool Procurement work is being done by Utrakhand Khadi Board and on similar line the matter was taken up with Rajasthan Khadi Board. Rajasthan Khadi Board officials visited CWDB office also and whole scheme was explained to them but work could not be started.

The scheme of revolving Fund for Marketing of Raw Wool was sanctioned by Ministry of Textiles in March 2010 and accordingly funds were released to all state Govt. engaged in marketing of raw wool but this activity could not be started in Rajasthan though it is the largest wool producing state in India.

As Gujarat is adjoining state and GUSHEEL is procuring wool in their state and have shown interest in wool Procurement in Rajasthan. On CWDB request GUSHEEL has started survey work near Bikaner area to explore the possibility of wool marketing in Rajasthan. If approved ,Wool Marketing work can be started in Rajasthan by GUSHEEL. Scheme will initially be started in and around Bikaner as it has the large concentration of best carpet grade wool and also as Bikaner is having biggest woollen mandi of India. For this work to be started initially Rs. 20 Lakhs will be sanctioned for GUSHEEL as revolving Fund and it will be provided Rs. 6 /- Kg Grading and marketing support (as per SWIS scheme) on the amount of actual wool procurement. If scheme is successful then wool procurement will be started in other Districts of Rajasthan also in phased manner. If due to some reason Wool procurement by GUSHEEL is discontinued at any

stage GUSHEEL will refund the amount sanctioned (without interest) as revolving fund without any liability on either side.

Another possible alternate could be that CWDB will select an agency, district wise (Govt. or private) through open advertisement. Selected agency will be provided total Rs. 6/- per Kg. (without any Revolving Fund) as prescribed in SWIS scheme. This agency will procure wool from the sheep breeders on reserved price fixed in consultation with CWDB.

8. DISCUSSION AND APPROVAL TO ESTABLISH A CARPET WEAVING TRAINING CENTRE AT JAIPUR.

Rajasthan is a major producer of domestic raw wool and woollen products specially carpets. Major raw wool production centers are : Bikaner, Jaisalmer and Barmer. Major carpet yarn production center is Bikaner & major carpet producing and exporting center is Jaipur.

Jaipur and its near by area is the biggest carpet manufacturing and exporting center of Rajasthan and has nearly 20% market share in total Indian carpet export. Jaipur carpet industry is providing employment to approx. 1.0 Lacs people especially belonging to economically weaker section of society. In carpet manufacturing, about 60% of cost of carpet is paid as wages which is very rare in other industry. The wages directly goes to labours and become the main source of income.

Carpet manufactured in Jaipur are well known internationally for their ethnic designs and Jaipur has the highest no. of foreign tourist inflow and so there is a potential for its further growth. In recent years, due to the boom in global economy the demand for woollen carpet has increased and thus demand for the skilled carpet weaving labour.

Keeping in view the demand for the skilled labour and to provide the employment to the people belonging to economically weaker section of society, CWDB propose to open a Carpet Weaving Training Center at Jaipur in consultation with IICT, Bhadohi.

Indian Institute of Carpet Technology, a reputed training institution under the Ministry of Textiles is engaged in providing training in advance technology and skilled manpower in country. The CWDB has approached the IICT to prepare a detailed Project report to set up a Carpet Weaving Training Centre at Jaipur. Accordingly, IICT Bhadohi has prepared a detailed project report.

Approx. cost to start this training Centre would be Rs. 26.66 Lakhs. Head wise cost for different activity is attached as **Annexure-VI** (Page no. 56). Whole amount to establish Training Centre would be paid to IICT Bhadohi.

To manage this Carpet weaving Training Centre a Master Trainer will be required which will be recruited from the passing out batch of IICT, Bhadohi.

As above, the matter is placed before the Governing Body to set up a Carpet Weaving Training Centre at Jaipur in technical consultation of IICT, Bhadohi under 'Human Resource Development' (IWIDP) scheme of Board from current financial year 2011-12.

9. DISCUSSION AND APPROVAL FOR STRENGTHENING OF C.W.D.B. BY ENGAGING VETERINARY DOCTORS AND TEXTILE ENGINEERS ON CONTRACT BASIS UNDER DIFFERENT ACTIVITIES OF BOARD.

In last Governing Body meeting, the Board granted permission to appoint two Veterinary Doctors and two B. Tech. personnel in Board on contract basis with monthly remuneration of Rs. 18,000/- (fixed) per month. The Board has appointed one Veterinary Doctor and two B. Tech. students passed out from Indian Institute of Carpet Technology, Bhadohi as Research Assistant in CWDB looking their profile and interview basis to meet out additional requirement of technical manpower. Veterinary Doctor will monitor/ evaluate different projects under IWIDP properly at field level for continuous longer period. B. Tech. personnel will help under the scheme of 'Quality Processing of Wool' and 'Weaving & Designing Training Centre' at Kullu (H.P.)

The Board has taken up the matter with the Ministry of Textiles for creation of such posts in Board on regular basis and once these permanent posts are created, this contractual arrangement will be stopped.

Out of two posts of Veterinary Doctors, only one person appointed and another one is to be selected again through publishing advertisement in news-papers. One appointed B. Tech. person has resigned due to personal reason and same post is to be filled up through Selection Committee constituted for this purpose from recently passed out students of IICT, Bhadohi.

As above, the matter is placed before the Governing Body to recruit one Veterinary Doctor (by open advertisement by a committee of ED/CWDB, Dir/CSWRI and Dir. AHD/Jaipur) and one B. Tech. personnel from Passing out batch from IICT, Bhadohi (by a committee of ED/CWDB, Dir/WRA and Dir. IICT/Bhadohi by conducting Interview) on contract basis in Board on monthly remuneration of Rs. 18,000/- (fixed) per month till permanent posts are sanctioned by MOT and filled up.

10. TO NOTE SUMMARY OF SFC PROPOSAL SUBMITTED TO MOT

The Board proposed to enhance financial allocation for rest of period of 11th Five Year Plan from Rs. 67.16 Crore to Rs. 78.21 Crore by submitting this SFC note. The Board has also replied upon the queries made by Integrated Finance Wing of MOT regd. above SFC note. Meeting of the SFC is yet to be finalized to discuss additional financial requirement/modification under the schemes of the CWDB. The summary of proposed SFC note is as under :

(IV) To verify that good quality Rams physically distributed under SWIS projects : ED, CWDB stated that Inspection of Ram is a permanent item under beneficiary schedule for inspection. The GM, H.P. State Wool Fed., Shimla stated that the financial provision made for purchase of lambs under Ram Raising Unit (new component of SWIS) is Rs. 1200 only and it is not possible to procure lamb in this amount. He also stated that under Breed Improvement, cost of Stud Ram is Rs. 3000 which is also on very lower side. ED, CWDB replied that under the approved scheme cost of Lamb is Rs. 1200 and for stud Ram it is Rs. 3000 – 4000 so Board can permit to purchase Stud Ram from 3000 to 4000 Rs. Range.

The GM, H.P. State Wool Fed., Shimla also appreciated the decision of last Executive Committee to keep Photo Identity Proof of all beneficiaries and video graphy/photos of all major activities under Board's scheme as evidence.

Similarly, further fund need not be released to OIC & LIC under Social Security Scheme as already released fund have not been utilized and if funds are not re-appropriated then these funds will remain un-utilized and so these savings should be re-appropriated to SWIS where there are demand. He also stated that in this regards, a Re-appropriation proposal have already been sent to MOT.

4. TO NOTE THE DECISIONS OF THE 33RD AND 34TH MEETINGS OF THE EXECUTIVE COMMITTEE OF THE CWDB HELD ON 25-06-2010 AND 30-07-2010 AT NEW DELHI, RESPECTIVELY.

ED, CWDB explained new project proposals approved by the 33rd and 34th Executive Committee meetings and following suggestions were made by the Governing Body :

- (I) ED, CWDB stated that fund have been sanctioned to all wool producing States for procurement of raw wool. Rajasthan is one of the most wool producing State in India but presently there is no Govt. Agency for marketing of Raw wool. Matter have been taken up with the Rajasthan Khadi Board also but till date no project proposal has been received.

ED, CWDB also stated that Bikaner is biggest Wool Mandi in India and CWDB has its own office at Bikaner and CWDB have experienced marketing officers (Wool Marketing Development Officers & Deputy Marketing Officer.) and possibility of Marketing may be explored by transferring one officer (WMDO) along with post from Board's Jodhpur

office to Bikaner office in association with any suitable Govt. Agency/Organization/Corporation to provide remunerative returns of wool to farmers and to protect them from exploitation from middlemen.

It was also suggested that all Implementing Agencies under SWIS should also implement Grading and Marketing components, effectively in project areas. ED, CWDB has made a point for provision of some funds for marketing of Angora wool under Revolving Fund in favour of ongoing implementing agencies of Angora projects.

(II) Shri S.S. Gupta, Jt. Secretary MOT and VC, CWDB suggested to give more emphasis on Angora Wool Development programme as it is more sustainable and economically viable and can generate income for the poor persons. He also gave emphasis to develop new and diversified products made from Angora wool to increase its demand and to stabilize Angora wool price by setting up processing facility for Angora wool.

After detailed discussion, the Governing Body approved the decisions of the 33rd and 34th meetings of the Executive Committee of the CWDB.

5. **STRENGTHENING OF CWDB BY ENGAGING TEXTILE ENGINEERS/VETERINARY DOCTORS/AND OTHERS ON CONTRACT BASIS UNDER DIFFERENT ACTIVITIES OF BOARD.**

ED, CWDB explained that during many previous meetings of Executive Committee and Governing Body, it was decided to hire the services of subject experts/consultants on contract basis to meet out additional requirement of technical manpower in Board. The Board had

made provision for such appointment under IWIDP scheme for better implementation and monitoring of different schemes of Board.

(I) Appointment of Consultants and B. Tech. personnel :

ED, CWDB informed that as per the decision of 33rd EC meeting, the Board has hired the services of following two retired officers as Consultants and appointed another two B. Tech personnel on contract basis in Board as per their profile and interview basis, as under :

(II) Appointment of Veterinary Doctors :

ED, CWDB informed that most of the schemes are related to sheep husbandry but presently there is no veterinary doctor available with the Board to monitor/evaluate different projects properly at field level. It was suggested to appoint newly passed out and experienced Veterinary Doctors as Research Assistant who can stay in the field for longer duration and monitor the implementation of the scheme. He further informed that the Board has already published an advertisement in this regard and received many applications.

After detail discussion, the Governing Body decided to appoint two fresh or experienced Veterinary Doctors on contract basis for 2/3 years in Board on monthly remuneration of Rs. 18000/-(fixed) per month.

III) Secretarial Assistance for the Chairman, CWDB :

ED, CWDB explained that the Ministry of Textiles appoints Chairman of the CWDB time to time for a period of two years. The Chairman of the CWDB is equivalent to the Secretary to the Govt. of India. Though Appointment letter describes Residential Accommodation, Travel on Duty etc. to the Chairman, CWDB as admissible to the Secretary to the Government of India but it is totally silent about Secretarial Assistance. He mentioned that as per GR & SR, the Secretary, Govt. of India is entitled for a Private Secretary and a Senior Peon as personal staff. As the Board has not sanctioned posts for personal staff of its Chairman and also having acute shortage of staff strength at present, it is difficult to spare any employee from existing staff.

The Governing Body approved the proposal to appoint one Private Secretary and one Senior Peon as per choice of the Chairman (till CWDB is unable to provide these staffs to the Chairman, CWDB) on contract and co-terminus basis in Board with monthly remuneration/payment of Rs. 8,000 for PS and Rs. 5,000 per month for Sr. Peon. It was also agreed that as the Chairman has already appointed a PS, the Board would provide him Rs. 8,000 p.m. from the date of his appointment/attachment.

6. DISCUSSION AND APPROVAL FOR CLOSURE OF WOOL TESTING CENTRE, BEAWAR.

ED, CWDB informed that the Board had established a Wool Testing Centre at Beawar (Ajmer- Rajasthan) in the year 1999 for testing

facilities like scouring yield, fibre length, fibre fineness, count, blend composition etc. He explained performance of last four years that average 10 samples per month have been received and average earning is only Rs. 500 per month.

After detail discussion, it was decided to close this Wool Testing Centre by shifting its equipments to existing WTC (Laboratory) at Bikaner.

7. DISCUSSION & DECISION REGARDING PERMISSION TO COVER POST-LOOM MACHINERIES UNDER PRE-LOOM ACTIVITIES OF 'QUALITY PROCESSING OF WOOL SCHEME'.

(I) ED, CWDB informed that 'Quality Processing of Wool and Woollen' scheme has two heads i.e. (i) Pre loom and (ii) post loom processing activity for providing financial assistance. The Board has made several marketing efforts in the past for setting up of CFC for post loom but was unable to get the proposal. The Director, WRA suggested to provide post loom processing machineries of small production capacity on the same pattern as per norms/ terms & conditions for existing pre loom activity. The CFC for the post loom process would also serve the same objects as the pre loom CFC.

After detailed discussion, it was agreed to merge both the Pre loom & Post loom activities. Necessary approval from Govt. may be obtained.

(II) ED, CWDB also informed that the Board has received some project proposals from existing CFC agencies for setting up of machinery for different activity under pre loom activity of 'Quality Processing of Wool' scheme. The Executive Committee also in its 33rd & 34th EC meeting

decided to consider such project proposals if these are for separate processing activities.

After detailed discussion, it was decided to consider such project proposal received from those Agencies, who have already established and running Board's CFC for a separate processing activity.

OTHER DISCUSSION :

(I) Ms. S. Rawla, Jt. Secretary, MOA asked for Mid Term Evaluation Report of Board's schemes. She also suggested that instead of going to SFC/EFC for every small changes in the approved scheme, a provision would be made for Empowered Committee for minor amendment required as per field conditions. She also suggested to take necessary help from Central Sheep Breeding Farm, Hissar for distribution of good quality Rams under SWIS and may invite them in Board's meeting as a special invitee as and when required. She emphasized to pass on the benefits to wool growers through similar scheme of Ministry of Agriculture's for Small Ruminant.

Human Resource Development Programme- Participating in IWTO Conference at China and USA by WOOLTEXPRO.

In such type of conferences senior level delegation from different countries comes and discussion with them will be very helpful for making development schemes and framing policies for wool sector in India.

The JS (MOT) & Chairman/ EC was also of the view that participation in these conference will be beneficial and WRA should also be included in one of the conference. And after detailed discussion Executive Committee approved the participation in IWTO conference though The Executive Committee also approved the proposal of post facto approval for sanction of Rs. 5 lakhs for participation by ED, WOOLTEXPRO as a member of minister level delegation to Australia .

After detailed discussion the Executive Committee decided to put up the proposal again in the next EC meeting with reasoned justification for such steep enhancement in project cost within small period of less than one year.
