7. TO ENHANCE BUDGET PROVISION UNDER SOCIAL SECURITY SCHEME(SSS)- SHEEP BREEDERS INSURANCE SCHEME OF CWDB IMPLEMENTING BY VARIOUS STATE GOVT ORGANIZATION AS OPEN SCHEME FOR ANNUAL PLAN 2015-16.

The Social Security Scheme-Kendriya Bhed Palak Bima Yojana (Sheep Breeders Insurance Scheme) of CWDB, implementing by LIC through various State Govt Organization as Open Scheme. This scheme is implementing by the CWDB since beginning of 12th plan and benefited Sheep Breeders and their families. This scheme is one of the good schemes for sheep breeders and achieved good results and benefits of scholarship.

As per budget provision of scheme in approved SFC/EFC, total Rs 200 Lakh was made for 12th Plan period in two schemes of Social Security Scheme. Out of 200 Lakh, Rs 175 Lakh was utilized by the CWDB during 2013-14 and 2014-15 and Rs 25 Lakh, (which was BE/RE for Sheep Insurance) was lying unutilized in the year 2014-15. The LIC was demanded more funds to continue this scheme during 2014-15 for already covered Sheep Breeders for insurance as liability of CWDB. Therefore the CWDB was proposed to release Rs 25 Lakh in the year 2014-15 to LIC for achieving financial targets of CWDB but it was not approved by the VC CWDB/JS MOT and same could not be released in the FY 2014-15 and still stand liability of CWDB in current FY (2015-16).

The CWDB has received a letter dated 23-05-2015 from LIC. As per letter the LIC has demanded total Rs 168.49 Lakh from CWDB (Rs 46.52 Lakh for balance premium of the year 2014-15 as liability and Rs 122 Lakh as renewal premium for the 2015-16 for 48785 members) in current FY. For any additional

coverage of members over & above 48785 members, proportionate additional premium @ Rs 250/- per member per annum will have to be paid by the CWDB.

Now recently the CWDB has received a letter dated 25.7.2015 from LIC which shows that total 3898 new beneficiaries has been already covered up to 31.6.2015 (01-04-2015 to 31-06-2015) of current FY 2015-16 which increased total liability of Rs 9.745 Lakh on CWDB in addition to earlier liability of Rs 168.49 Lakh. It is clear that day by day liability is increasing on CWDB.

The MOT has approved Plan BE for the FY 2015-16 and allotted only Rs 25.00 Lakh under Social Security Scheme (SSS) of CWDB but present liability of CWDB to be paid to LIC under SSS is Rs 46.52 Lakh of liability for 2014-15 and additional Rs 122 Lakh as renewal premium for the FY 2015-16 for covering 48785 members and Rs 9.745 Lakh as premium for new beneficiaries already covered up to June 2015. Therefore more budgets are required for the FY 2015-16. If more budget allotment is not possible for the FY 2015-16, then we may discontinue implementation of Sheep and Sheep Breeders Insurance Scheme in the FY 2015-16 and made a provision of budget only for liability to be paid to LIC up to closure of scheme. Presently in absence of budget in CWDB, this scheme is implementing by all State Govt organization through LIC as open scheme, which increasing liabilities of CWDB day by day in Current FY.

As above total budget allocation of Rs 178.24 lakh (Rs 168.49 Lakh + Rs 09.745 Lakh) is required in Annual Plan 2015-16 to clear liabilities only.

In view of above, matter is placed before the Governing Body for perusal and appropriate decision.

A large no. of Artisans/ Weavers/ small cooperative societies have been benefitted from the schemes. This year also almost 1500 application have been received from different participants.

In this regard, the Board invited proposals from different reputed organizations (Govt. & NGOs) as per practice adopted in previous years. V. Discussion on procurement of Sheep Shearing Machines directly by the Implementing Agencies under Quality Processing of Wool scheme.

ED, CWDB stated that during 43rd and 44th Executive Committee meeting of the Board (being chaired by the then JS (Wool) Ms. Monika S. Garg), projects under Quality Processing of Wool Scheme for procuring sheep shearing machines were sanctioned to following agencies.

8	Rajasthan Livestock Development Board (RLDB), Govt. of Rajasthan, Jaipur	Purchase of 2 shearing machines & its accessories	44 th EC meeting

Under the Scheme, the shearing Machines were to be procured by these agencies following GFR through Open advertisements and some of the agencies even procured the machines.

During the 44th EC meeting, some representatives from different State Govt. raised the problem in tendering for machine as an additional agenda Item with the permission of Chair and opined that a consolidated tender by CWDB will not only save the time but may also bring reasonable rate for the machines and its spare parts and Chairperson constituted a Committee for procurement of sheep shearing machine by open tender procedure. The committee consists of ED, CWDB; Director, CSWRI; Director (IFW) MOT and Dir. AHD, Govt. of HP and Rajasthan.

In this meeting it was also decided that those State Govt. who have already started the tendering process for machine may procure those machines on their own.

First meeting of above procurement Committee was held on 12th June,2014 at Delhi and finalized the specifications of machines and tender document and further decided to collect comments/views of interested implementing agencies by circulating it to them. In compliance to it, some organization of State Govt. desired amendment in technical specifications as per requirement of their State condition. The matter is still under process and tender notice is yet to be published in news-papers to collect offers as many State Govt. not responded and it is delaying the whole process.

Separate State Govt. have separate requirement for the shearing machines and their accessories, maintenance period and station where these machines would be placed and it is getting increasingly difficult to finalize the issues. Meanwhile some of the organizations like CSWRI has already initiated procurement process by Open Tendering and rest of implementing agencies have not started the procurement process so it would be better if instead of Centralized procurement by CWDB, individual State Govt. do the tendering as specified in Original Sanction Order issued by CWDB but CWDB was asked to specify the specifications of machines purchased.

After detailed discussion, the EC decided that conditions mentioned in the Sanction Order shall be followed in this matter. Dy. Secy. (IFW), MOT wanted to know the specification of the Shearing Machine. ED, CWDB stated that the specification have been finalized by a five member committee which included Dy. Secy. (IFW) also and same will be circulated along with Minutes. **(specification of the Shearing Machines decided by the Committee is attached as Annexure-A)**

Additional Item: (Continuation of the projects sanctioned to WRA regarding upgradation of Labs of WRA/ Thane, Kullu and Bikaner by WRA)

With the permission of the Chair, WRA representative Shri T.R. Rao raised the issue of projects being undertaken by WRA with financial assistance from CWDB related to Upgradation of testing labs of WRA, Bikaner and Kullu and other R&D Projects as work on all these projects have been put on hold as being directed. JS (Wool) directed that till the issue is being thoroughly examined and cleared by Ministry, no further fund shall be utilized by WRA on these projects. She also directed Director (IFW) Shri Mani to examine all the grant released to WRA as the organization is hardly making any benefit to Woollen Industry but getting Non Plan Grant from the Ministry.

Meeting ended with the vote of thanks to the Chair.
